

Nest/Crawl Summary

Due to the increase in hatchling emergence disturbance and poaching throughout the state of Florida, FWC has recommended that nest dates not be posted on websites or nest marking stakes.

Amelia Island experienced 3 poached nests in 2016, therefore, locations will no longer be posted in an effort to protect our nests.

2017 Nest Summary

	Name of Nest	Volunteers
	FC	E Dixon, B Gould, Kregers
1	MD1	C & H Neidig
	FC	M Rensberry, S Hair
	FC	P & R Hitchens, Kregers
